F.DO/2016 /KVS(BPL)

Dear Principals,

I hope and pray that it finds you in the best of health and spirit.

The next academic session is commencing 01/04/2016. Let's all greet it in a mood, upbeat & resolute that the session finds new expression to achieve new high of success.

You know years come and go. What remains the same? The improved performance and qualities. These make us the kind of persons others want to follow. I pray that the session sets you on the path to becoming the academic leader you have always wanted to be.

You have already received the academic programme to be implemented for the new session vide this office letter No. F. 4-1/IP/2016-KVS(BPL) dated 01/03/2016. However, any programme to go successful depends on how effectively its monitoring is done by the institutional head. That is why MRAP has been devised for all of you. I am sure you all now find it easier to fill in, complete and mail it here on or before 5th instant of every month, commencing April 2016 itself, for which MRAP must reach here by 5th May 2016.

I request you to do the needful as follows:

01. This is the only annexure to be completed and sent every month in '**EXCEL SHEET**' only. No enclosures.
02. Slow learners are normally 15-20% of the class strength which works out to be 6-7 students only. So, please try to restrict the number; which is, of course, possible only when your teachers level up the classes in general.
03. Please don't send here the 'error analysis', called Annexure-II. It has to be made and retained at your end only, for the perusal of visiting officers; and also when it is called for.
04. Please take a meeting with your teachers immediately and discuss the annexure again and clarify the issues, if any.

I request that the 'MRAP' as above for the ensuing months must be completed, understanding it as explained and mailed to the Assistant Commissioners concerned, with copy marked to me on or before the 5th instant of the month unflinchingly.

Please note again this tool is experimented strategy which can foster performance and overcome weaknesses which stifle the efforts. The tool, if used well in varying situations as are presented in our classrooms, will transform your academics and the result shall definitely be the 100% quality pass. So do it seriously, creatively and timely.

I request to handover the copy of this DO to your teachers (one copy to each) and mail me the action taken report with three days.

Encl: MRAP DUE ON.

Yours sincerely,

(Isampal)
