DEPUTY COMMISSIONER

F.DO/2015/KVS(BPL)

Dated: 10/11/2015

Dear Principals,

I wish you very happy and prosperous Diwali. Diwali is the festival of light. This light dispels darkness and ignorance in favour of brightness and knowledge. I pray that the festival shall remove the darkness of failure, if any, and create brightness of success in all spheres of life including mission of academic excellence and 100% quality pass in Class X and XII. Diwali is also the feast of giving, and the best feast is the giving of success to those who need it most.

Let us stick to our continued war that we have declared against the dragon of failure, and prayerfully the festival of Diwali shall help us fight it out better. Strident advances are underway at both the levels i.e. yours and mine. And we'll therefore win it. This will be the 1st experience here, a new way of life that shall begin with all of you. Once achieved, it will create a practical and effective way to begin the process of personal reflection and change. It shall give us hives, making life better, meaningful and successful on purpose, that shall make life worth instead of making worth of life. Superb!

The win (success) of this kind shall be wholly contributed to the life changing principles we can all teach. It shall leave the legacy of platitudes which are always valued and pursued. Carry on with the momentum built, what I can see around when on tour to various KVs, coupled with reports being received from Assistant Commissioners.

My God bless you all through His light of success, friendliness and good feelings towards one another! May you get both personal and organizational greatness and your ideas embrace the highest possible performance!

I request you to kindly convey my greetings to the teachers, staff and students of your Vidyalaya.

Yours sincerely,

(Isampal)
