DEPUTY COMMISSIONER

F.DO/2016/KVS(BPL)

Dated: 13/06/2016

Dear Teachers,

Welcome back to your duties as usual on June 22, 2016.

You know it is important to succeed in life because it builds self esteem and empowers one to take on challenges and have positive outcome. Beginning has been made when you have all created big success in Class X, with only one exception. It is the real childhood you have gifted to your children who have succeeded. I congratulate you for having recognized the heart and mind of children and bestowed on them the gift of success.

However, in Class XII 15 KVs, namely Karera, Narmadanagar, Bhopal No. 3 (II shift), Shajapur, Jhabua, Barwaha, Hoshangabad, Neapanagar, Khargone, Sehore, Rajgarh, Mungaoli, Shivpuri, Sarni and Amla have done it with 100% pass result. And 3 KVs, viz., Guna, Itarsi No. 2 and Pachmarhi have fared as low as 80's in percentage. The rest all 19 KVs have performed into 90's (result uploaded on website). While congratulating those of you having performed 100% pass results, I must tell to the rest that results are intricately tied to the structure of our abilities to be focused and initiating goals well defined. To get good result we should authentic the strong sense and passion for achieving. Most importantly, we have to be strategic in approach. The best strategies successfully experimented over the years are the **'MRAP & Error Analysis and Academic Adoption'** of the slow learners. I request you to do it right away, and the performance at the next board examination shall amaze you.

Besides, I request you to recreate yourself for forging a new identity of outstanding performer that commands increased attention and respect. Incorporate our ideas into your own academic gestures & actions, and your image which is one of your own making shall be enhanced and your character will seem larger than life. Let every child you teach feel that there is one thing about you that you are going to live your passion, and there is absolutely no room for compromise on this point. Carry yourself proudly and show enthusiasm in all of your waking hours. Be passionate about all of your activities, and keep reminding yourself that you will never elect apathy or ennui. By refusing to concede this point, you will become a model for others to live out their lives in-spirit.

I wish you to shine ever so brightly for those under your care and find contentment that lasts.

I am planning felicitation for those of you as well as principals who have produced outstanding results, coinciding it with the ensuing Principals' conference, tentatively scheduled for July 14-16, 2016. You can see the details of it on RO website shortly.

Looking forward to see you,

Yours sincerely,

(Isampal)
