Dated: 19/08/2016

Dear Principals,

Defining the right outcomes does expect a lot of manpower, talent and facilities, but there is probably no better way to nurture self-reliance in our team than giving them opportunities to perform, and make outcome.

In this background, I am extremely happy the way you took up the Regional Sport Meet 2016 and played favorite. Your management and efforts have achieved the target of successfully finishing the event within the time stipulated, with insight backed by powerfully Gall up. You have built up the image, travelled successfully on the clear cut pathway (plan) provided by this office. It has really changed the way, I now approach you as an institutional leader since truer leaders complete with specific deadlines.

I request you to share the DO with your team and other associates.

I request you to acknowledge.

With regards.

Yours sincerely,

(Isampal)
