ISAMPAL
DEPUTY COMMISSIONER

F.DO/2015/KVS(BPL)

Dated: 19/10/2015

Dear Principals,

In all human affairs, there are efforts, and these are results, and the strength of the efforts is the measure of the results. All intellectual, mental and academic possessions are the fruits of efforts; they are indeed thoughts completed, objects accomplished and visions realized.

The performers are the saviors of the world. As the visible world is sustained by the invisible, so performers, through all their trials and efforts, are nourished by the visions of their performances. Humanity cannot forget its performers; it cannot let their ideals fade and die; it lives in them; it knows them as the realities which it shall one day see and know.

02. The teachers (and principals) are the makers of the world as well as the afterworld. The world is beautiful because they have lived; without them labouring humanity would perish. He who cherishes the vision, will one day realise it. Columbus cherished a vision of another world, and he discovered it. Buddha beheld the vision of beauty and peace, and he entered into it. So, cherish your vision of 100% pass result, the beauty that forms in your mind, the loveliness that drapes your purest thoughts, for out of them will grow delightful conditions of these if you but remain true to them, your world of success at last would be built.
03. To desire is to obtain; to aspire is to achieve. Shall man's desire receive the fullest measure of gratification, and his purest expressions stance for lack of sustinence? Such is not the law. Such a condition of things can never obtain. Ask and receive the results.
04. Dream lofty dreams, and as you dream, so shall you become. Your vision is the promise of what you shall one day be; your ideal is the prophecy of what you shall atleast unveil. You know the greatest achievement was at first and for a time a dream. The oak sleeps in the acorn; the bird waits in the egg; and the highest vision of the soul a waking angel stirs. Dreams are the seedlings of realities.
05. Your circumstances may be uncongenial (like lack of teachers, talent), but they shall not long remain so if you but perceive an ideal of 100% pass result and strive to reach it. You can't travel within and stand still without.

You will realise the vision of your heart, for you will always gravitate toward that which you most love. Into your hands is placed the result of your students. You will receive that which you earn, no more, no less. Whatever your present environment may be, you will fall, remain or rise with thoughts and efforts, your vision, your ideal. You will become as small as your results; as great as your results.

In the background of the above, I hope your school will gain insight into itself and inspired to act under you as its leader. I value and respect your commitment made for 100% quality pass result for the year.

Please acknowledge within three days.

Yours sincerely,

(isampal)

The Principal
