ISAMPAL
DEPUTY COMMISSIONER

F.DO/2016-KVS(BPL)

Dated: 27/07/2016

Dear Principals,

Motivational thoughts are capable to change our lives by changing the way we think.

When we come across any powerful thought on daily basis, we can slowly absorb it and imprint it into our consciousness. This happens because when we read it repeatedly we reflect on it and see how it applies to us on our journey to success.

The fact is what we think we become. Therefore, think on the following thought and become the very best your KV can be. Do it immediately.

I AM A WINNER. SUCCESS FOLLOWS ME.

I request you to arrange for this thought put up in all classes right above the black boards/white boards, staff rooms and your own office chamber.

When your children read it, they begin to understand why this is so. Linking this thought gives them a powerful insight, depth of understanding and an opportunity to assimilate the message and make it their own for success. You, alongwith your teachers may, however, explain its meaning to them. It is important because the child is born to succeed, and the teacher is born to see him succeed.

After all, when we change the way we look at things, the things we look at change.

Kindly do it immediately, and within 03 days and send me action taken report.

Yours sincerely,

(Isampal)

Copy to the Assistant Commissioners, KVS, Regional Office, Bhopal for information and necessary action.
