Dated: 27/08/2016

Dear Principals,

I would like to refer this office letter No. F. F.32-1/15-KVS(BPL) dated 27/08/2016 vide which the schedule finally fixed for Regional Social Science Exhibition-cum- National Integration Camp 2016-17/Language Competition has been mailed to you today. You know that this is an activity of the year involving increased number of children, owing to the language competition clubbed.

I request you to take up the assignment in true spirit, arrange for the needful facilities and travel arrangements to & fro Regional venue. You may immediately liaise with the venue principal fixed for the Regional level and arrange for the participation of your children as per rules.

The event demands little more of your work, which, of course, would provide you with a better sense of meaning and identity. I always want you to be recognized as outstanding Principals and given meaningful prestige for that expression.

I have known you for the last two years; and I have experienced you all employ vastly performing abilities, always focusing on goal and performing. You are ever eager to take up the responsibility. You can achieve anything you set your mind to, which you have proved on various occasions in the past.

Please acknowledge immediately promising the event shall go in the most excellent way, with no mismanagement at all at any level.

Yours sincerely,

(Isampal)
